**We Praise God for Dr. Jermone and Pastor Erica Glenn!!**

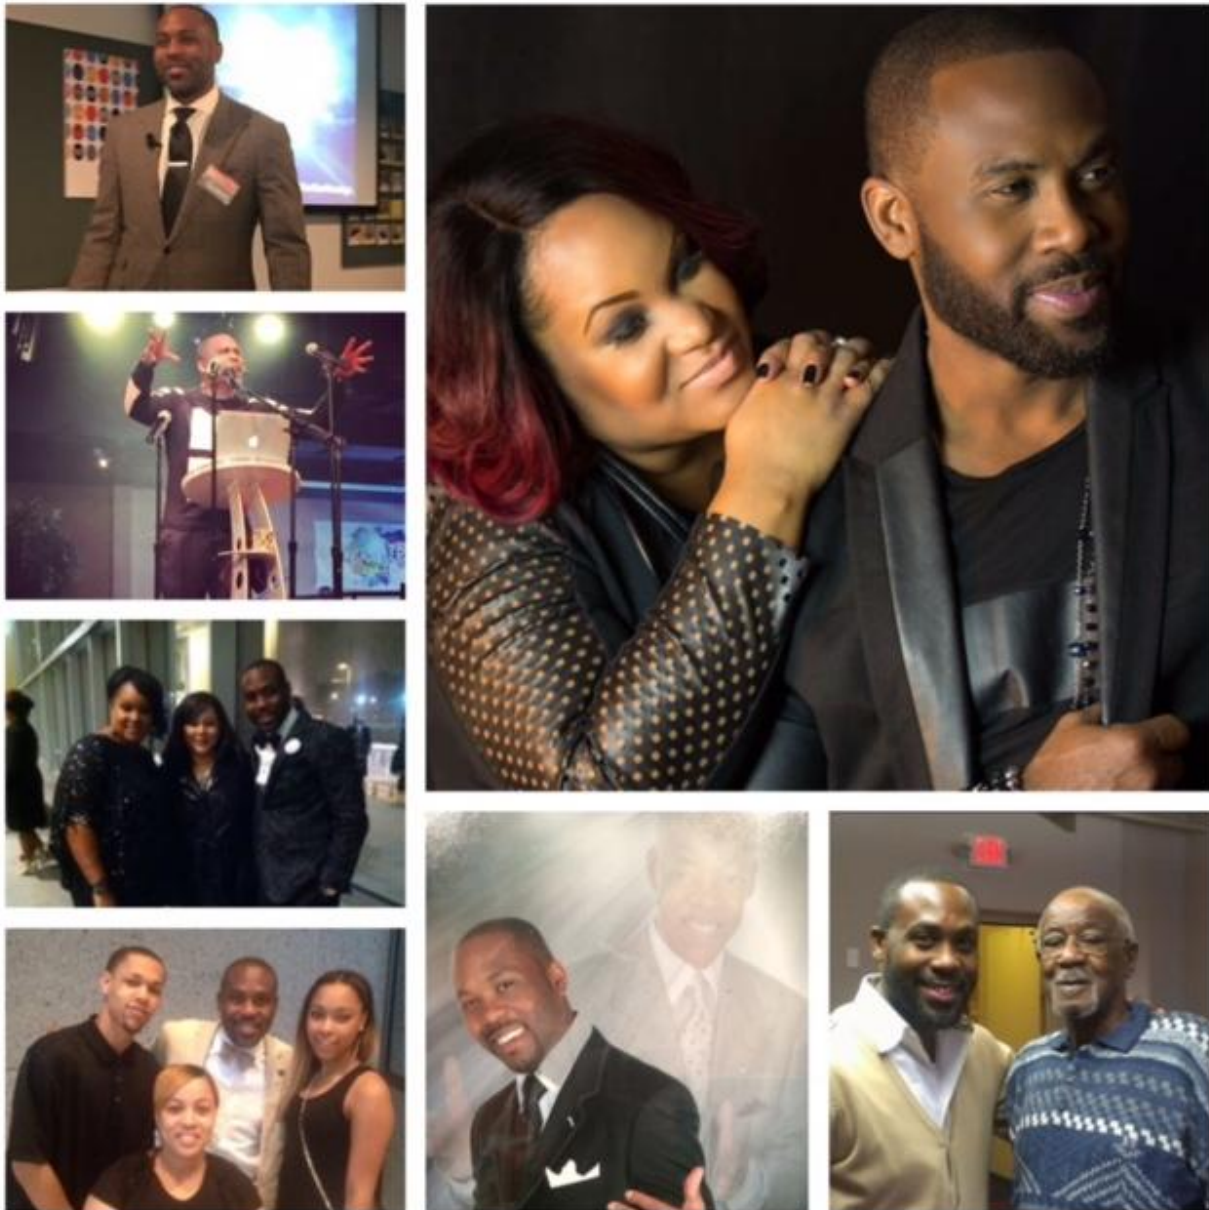

God is using Dr. Jermone and Pastor Erica Glenn to create a movement that magnifies God through mobilizing people for maximum results. The Revolution was started in Grand Rapids eight years ago and it is already having global impact because God created and destined Dr. Jermone and Pastor Erica to be world changers.

Dr. Glenn is a husband, father, pastor, mentor, visionary and a dynamic communicator; a compassionate bridge builder, learner, and humanitarian committed to making a positive difference in the lives of people. He recognizes his responsibility to his generation and it is reflected in everything that he does. He travels extensively both nationally and internationally, and is quickly becoming one of the most sought after speakers.

Pastor Erica Glenn, Leading Lady of The Revolution, is an anointed and powerful woman of God who ministers both nationally and internationally the healing and restoring message of Jesus Christ through song and Word. Most importantly, this Godly lady ministers to her husband, The Revolution's Pastor/Founder Jermone T. Glenn, as she faithfully works hand-in-hand with him to bring to fruition God's vision. She strives to emulate Queen Esther, her favorite Bible heroine.

Lady Erica is a praying woman, an avid student of the Word of God and a motivating teacher. She is committed to mentoring women, young girls, children and families to help them discover their purpose and reach their highest potential in Christ.

My wife Sue and I have worshiped at The Revolution on a few Sundays. We have experienced the blessing of Dr. Glenn's inspirational and prophetic preaching. His anointing is strong, his message is clear, his energy is boundless, his passion is contagious, his faith is inspiring, his smile is warm, his eyes are caring, his demeanor is welcoming, his heart is full of God's love, and he overflows with compassion for broken people of all nations and tribes.

I am so thankful I worshipped at The Revolution a few weeks ago on Palm Sunday. Dr. Glenn gave one of the most comprehensive and engaging descriptions of Passion Week that I have ever heard. Then he invited everyone to participate in a week long fast leading up to Resurrection Sunday. He scheduled a time every day of Passion Week for people to call in and participate in daily prayers with him. I witnessed the way he was sensitive and responsive to the leading of the Holy Spirit, who chose to alter Dr. Glenn's plans for his message and the rest of the service. What I experienced is a man of God who had fully prepared every detail of his message and the service, who also had the freedom, sensitivity, and willingness to alter his plans to what the Spirit was doing in people's hearts.

After the service on Palm Sunday I stood in the lobby area greeting people as they left the service. I stood there for about 30 minutes. As the crowd of people thinned out, I had the privilege of observing how Dr. Glenn interacts with people after the service. I watched him interact with several individuals—Black, Hispanic, and White. He treated each one with dignity, respect, and love. With each encounter he was fully tuned into that one person—as if they were the only person in the room. Pastor Glenn wanted an update on what is going on in their lives. He was in no rush to move on to the next person. It was refreshing to see this amazingly talented man of God with a true pastor's heart and a deep love for people.

Dr. Jermone Glenn's legacy will be his personal investment into the lives of people, helping them become all God designed and destined them to be.

I invited a few of the Partners of The Revolution to share what Dr. Jermone and Pastor Erica Glenn mean to them.

*It is such a humbling thing to know that God has favored our family to be called to The Revolution to serve under the leadership of Dr Jermone and Pastor Erica Glenn.*

*It's truly been a life changing experience to serve. They have made an eternal impact on our family and the next generation of leaders.*

*It is an honor for me to be a Kingdom representative of their Ministry and leadership to our Partners, to this West Michigan region, our Community at large and our Global reach to the Nations of this World.*

*We appreciate their sincere desire to please God by loving, directing and developing his people. They are incredible leaders of excellence that are always seeking the heart of God; not necessarily for what's new and trendy but asking for what is on the Master's Heart for His people!*

*We love and respect Dr Jermone and Pastor Erica and pray that God gives them the desires of their hearts and continued blessings for them to accomplish all that God has purposed for their life, their family and for advancing the kingdom!*

Love,  
Ernest & Dr Vicki Harris

*It is truly an honor and privilege to be able to share our thoughts about Dr. Jermone and Pastor Erica Glenn. Each has been a blessing to our family for many years, both as pastors and as friends. We have had the privilege of serving and learning under the leadership of Dr. Glenn and Pastor Erica at The Revolution since its inception over 8 years ago. It has been an incredible experience to hear and learn from such dynamic leaders.*

*Dr. Glenn and Pastor Erica are wonderful spiritual leaders and people. They have a heart for youth and for the City of Grand Rapids. They have been examples for so many people to see what God can do if you will “remain seated” and allow the Lord to lead your life. Their example has been one that we have been able to follow and point to time and time again. Their wisdom is invaluable and their commitment is second to none.*

*They are a true blessing not only to The Revolution and the Grand Rapids Community, but to The Kingdom of God. It is an honor to serve with such a remarkable man and woman of God. We thank God for you and pray a blessing for you and your family according to Numbers 6:24-26, “The Lord bless you and keep you; the Lord make his face shine on you and be gracious to you; the Lord turn his face toward you and give you peace.”*

*Be Blessed!*  
Kenneth and Vanessa Trapp Jr

*Pastors Dr. Jermone T. Glenn and Erica Glenn are the epitome of excellent shepherds and servant leaders. Their leadership exudes the love of Christ to all with whom they come into contact.*

*Perhaps unbeknownst to both of them—the impact they have both had on my life precedes their union to one another. Pastor Erica was a silent young leader in her early youth, who may not have known so many were watching and learning from her what a true worshipper was and how worship is much more than a melodic, anointed song; worship is lifestyle. At the same time, Pastor Glenn is a trendsetter and has been a revolutionary since high school. Birthing new concepts, ideas, and captivating audiences through creativity which came with such ease to him. He motivated many to be bold, different and willing to challenge and impact culture and the norms within the culture.*

*Dr. Glenn and Pastor Erica both have walked, independently, in their purpose long before their union and pastoral curricula vitae. However, their union has added to, not only to their lives but to the lives of their parishioners [and beyond]. For this I am thankful! Their lives personify the fact that all that we need lies inside of us, all the days of our lives, and WE must choose whom we will serve with what has been placed within us.*

*Together, through their union, they have birthed a movement that magnifies God through mobilizing people for maximum results. This movement is The Revolution. I know, without a doubt, that I would not be the Woman of God that I am had they not responded to the call that is on both of their lives. Thank you, Dr. Glenn and Pastor Erica for your serving and for obeying the call! Your obedience helped direct my path to righteousness.*

*With the most respect,*  
Eboné M. Farley

*Jermone and Erica, I am so proud and Godly proud of you!! I never dreamed that my son would be my Pastor, but I always knew you were a leader. I am enjoying every moment of it! May you continue to allow GOD to use you to draw souls into the Kingdom.*

*I Love you!!*

*Mama*

*Jacquelyn Clark (Dr. Jermone Glenn's mother)*

*Thank you for the opportunity to honor my Pastors, Dr. Jermone and Lady Erica Glenn. I was excited when asked to honor them. They have served the Greater Grand Rapids community, Revolution Christian Ministries, and other ministries nationally in various capacities. They are a "gift" to the Body of Christ, but especially to the Partners at the Revolution. I have found this young couple to have an excellent spirit of stewardship to the Lord and his Kingdom.*

*It is both a pleasure and a challenge for me to serve my leaders as the Executive Liaison for Partner Care. The pleasure comes from witnessing the care and concern they have for us and the world in general. The challenge is to live up to the expectations for excellence in all I do. It is exciting to serve at the Revolution in this season of my life.*

*Dr. Glenn has much insight and wisdom beyond his years. He "rightly" divides the Word of God to make it relevant to the young and seniors equally. His commitment to the Lord stimulates me to be a part of what the Lord is doing through this couple.*

*In a short period of time, I have come to appreciate the heart he has for the call of God on his life. The Holy Spirit has freedom to use Dr. Glenn and Lady Erica as a team. Lady Erica is the quite the "prayer warrior" and is very effective in ushering the Presence of God into our midst. Time would not allow nor my words to be adequate, to express what an honor it is to know them and serve them and God's body at The Revolution Christian Ministries.*

*In His Service,  
Dr. Curley M. Bell, LMSW*

*Dr. Jermone & Pastor Erica Glenn,*

*It has been a privilege and honor to serve your vision for the past three years. Your leadership and innovation continues to impact not just our region, but this world.*

*Thank you both for submitting your lives to build the Kingdom!!*

*We love and appreciate you both!*

*Love Rory & Kristan Marshall*
