Praising God For All Things He Is Doing!

Our seven month old grandson, Liam Wesley LaPorte Smith, brings Big Smiles and Big Laughs wherever he goes! Like Liam, we continue to Smile Big and Laugh Big as we praise God every day for all the things He is doing while we enjoy our family and faithfully serve our Lord Jesus Christ!

Rotator cuff surgery on my left shoulder on June 7.

- We are praising God for the way He will guide my surgeon, Dr. Tom Matelic.
- We are praising God that I have a La-Z-Boy chair to sleep in for 4 weeks while my arm is in a sling with a pillow under it.
- We are praising God for time I will have to pray, enjoy His presence, and read while I am not able to drive for four weeks.
- We are praising God for who he has chosen to be my physical therapists during the following 3 months of rehab and how He will bring healing and full recovery to my left shoulder.

We need to move into another house by August 31.

- The owners we have been renting from for the past seven years live in Georgia. They are not in good health and they need to sell the house.
- We have the first option, but we don't believe it is the right house for us to purchase.

- Join us in praising our wonderful, loving, Abba Father for what He will provide!
- Let us know of opportunities for house sitting, renting, or purchasing a place to live.

God Is Up To Something Big!

God is enlarging our territory and expanding our ministry!

- We are incredibly excited about the amazing ideas the Holy Spirit is downloading!
- God is sending amazing people!
- God is orchestrating and bringing together His vision and His dream!
- We wish we could share all of the details — but it is premature and we must patiently wait.
- Lord willing, by early fall, we will share with you, the plans God has revealed to us.

Jabez cried out to the God of Israel, “Oh, that you would bless me and enlarge my territory! Let your hand be with me, and keep me from harm so that I will be free from pain.” And God granted his request. 1 Chronicles 4:10 NIV
